Strategic and Financial Planning

I hereby submit my monitoring report on your Executive Limitations, “Strategic and Financial Planning” according to the schedule set out. I certify that the information contained in this report is true.

Signed: _____ Date: _____
Chief of Police

BROADEST POLICY PROVISION:

The Chief of Police shall not fail to produce an annual operational plan, derived from a multi-year plan that identifies strategies and actions for the accomplishment of the Board’s stated Ends policies.

Financial planning for any fiscal year, or the remaining part of the year, will not deviate materially from Board’s Ends policies and business plan, risk fiscal jeopardy, or fail to be derived from a multi-year financial plan.

Interpretation of the Chief of Police:

The Board’s Ends policies drive the 3 year Business Plan (which satisfies the requirements of the Police Services Act) which in turn drives the annual budget and the 10 year capital forecast required by the Region. Furthermore, business plans and annual budgets are subject to realistic revenue and cost projections in both the near and long term.

The 2014 – 2016 Business Plan has been approved by the Board and published. The Business Plan is reported upon semi-annually under the Board’s Business Plan update policy.

Annual financial planning is done with the input and participation of all operational levels, in order to meet Business Plan objectives and Board Ends, in accordance with specific Board policy.

Data in Support:

The supporting data is comprised of the 3 year Business Plan, 10 year capital forecast and the Annual Business Plan Budget.

The 3 Year 2014-2016 Business Plan has been published.

The Region received the 2015 operating and capital forecasts on July 21, 2014, detailed 2015 annual operating budget on October 3, 2014. The Regional Budget Guideline for 2015 will be presented to the Finance and Administration Committee of Council on January 13, 2015. The Regional Finance and Administration Committee will review the 2015 police budget during February 24-26, 2015.

The Finance Committee of the Police Services Board reviewed the preliminary 2015 annual operating budget and the 10 year capital forecast on October 24, 2014.

Therefore, I report compliance with this provision.

Further, without limiting the generality of the foregoing by the enumeration, the Chief of police will not allow budgeting that:

Policy Provision #1

Establishes conditions and activities that will be unnecessarily difficult to maintain.

Interpretation of the Chief of Police:

The policy prohibits me from undertaking or approving operating or financial activities, which would place the integrity of the service or Police Services Board in jeopardy. I will ensure any new operational or financial activities begun are within the financial limitations as set out within the approved budget for the upcoming year and are in furtherance of Board Ends and Limitations policies.

Data Support:

Current conditions and activities, which are required to maintain existing Board End compliance and service levels, result in an approximate ongoing annual increase in net expenditures of 3 to 4 % (does not include any provision for meeting increased demands as a result of population growth which is estimated at 2 % or additional debt service for capital projects.)

I have not undertaken or approved any activities which would result in a higher level of ongoing cost increases than that described above.

Therefore, I report compliance with this provision.

Policy Provision #2

Omits credible projection of expenses, separation of capital and operational items, and disclosure of planning assumptions.

Interpretation of the Chief of Police:

I must ensure that the Service diligently plans and clearly reports on expected future revenues and expenses in a format which meets the requirements of the Board and the Region of Durham.

Data Support:

The 2014 Annual Business Plan Budget which includes the 10 Year Facilities Capital Forecast document submitted to the Board meets these requirements.

Therefore, I report compliance with this provision.

Policy Provision # 3

Provides less for Board prerogatives during the year than is set forth in the Cost of Governance policy.

Interpretation of the Chief of Police:

The DRPS will ensure that funds identified in the Board's annual governance budget are provided.

Data Support:

The 2014 Annual Business Plan Budget includes the Board's governance budget of \$471 thousand dollars.

Therefore, I report compliance with this provision.

Policy Provision # 4

Provides for projection of revenues that exceed the Board's revenue projection.

Interpretation of the Chief of Police:

The DRPS budget will be based upon realistic projections of revenue from Municipal, Provincial and Federal funding sources and user fees, as provided for by Board approved by-laws.

Data Support:

The Board approved 2014 Annual Business Plan Budget, which totals \$177.68 million and which was in compliance with the Region of Durham guideline.

Therefore, I report compliance with this provision.

Based on the above proof provided, I report overall compliance with the policy.
